AIPSO expresses solidarity with the Govt. of Venezuela

All India Peace & Solidarity Organisation (AIPSO) strongly condemns the ongoing violent movement led by the disgruntled opposition against government of Venezuela. The AIPSO notes with great concern that a handful of thugs indulging in arson, loot, burning of govt. offices and attacks on people are trying to create a situation for counter-revolution and outside interferences' mainly from US imperialist and their allies.

While expressing its total solidarity with the people of Venezuela, AIPSO believes that the legacy of Hugo Chavez Frias will be upheld by the people of Venezuela by defeating all kinds of diabolical attempts of local reactionaries and US imperialist.

AIPSO reiterates its support and solidarity with President Maduro and his Government with this confidence that he will overcome this crisis and continue his efforts to fulfill the aspirations of the people of Venezuela for peace, economic and social development.
