AIPSO Condemns Israeli Aggression, Calls for Solidarity with the Palestinian People

The All India Peace & Solidarity Organisation condemns the ongoing murderous attacks of the Israeli armed forces against Palestinian people in the Gaza strip that resulted in number of deaths and loss of valuable properties. It is becoming habit of the Israeli occupation forces to attack the Palestinian people in the most heinous way to curb their struggle for an independent Palestinian state. The Israeli occupation army's aggression is being encouraged by the USA and other countries of European Union.

The AIPSO while denouncing this criminal act of the Israeli authority, demands that the armed attacks against the Palestinian people must stop and the occupation armies must be removed from Palestinian territories without further delay.

The AIPSO will continue to support the just struggle of the Palestinian people for the end of the Israeli occupation and the creation of an independent, viable and sovereign Palestinian state, on the 1967 border with East Jerusalem as its capital.

The AIPSO urges upon the Union government to take appropriate initiatives in different world forum so that Israeli aggression could be stopped immediately.

The AIPSO calls upon all its units to organize protest actions against these barbaric attacks of Israeli forces and to declare their solidarity with the people of Palestine.
