AIPSO supports the demands of the Farmer's

All India Peace and solidarity organisation declares full solidarity with the all India kisan march that is taking place on 29th -30th November in Delhi.

AIPSO notes that rural distress due to corporate loot aided by present Communal fascist government of BJP/RSS has increased immensely causing great misery to all sections of farmer's particularly marginal farmers and agricultural labour. Demonetisation robbed small savings of rural poor. The so called crop insurance has actually enriched private companies to the tune of thousands crores of rupees at the cost of poor farmers. Apart from this commercialisation of health and education simply made health and education unreachable for farmers. AIPSO notes that farmers all over the country on war path against the anti people policies of this government.

AIPSO wishes grand success to the struggle of farmers of our country.
